*Gorstein v. World Savings Bank*, 03-55292

REINHARDT, Circuit Judge, concurring in the judgment:

**CATHY A. CATTERSON, CLERK**  
**U.S. COURT OF APPEALS**

I concur in the result. I agree that a bank is not required under 42 U.S.C. § 407(a) to examine the source of all funds in a general account in order to determine whether the funds include any amounts derived from social security payments and then shield those funds from the effects of a court order that is generally applicable to the account.
