**ORDER**

The order filed on December 28, 2001 is modified as follows:

The district court's partial summary judgment that was granted in favor of TRW Inc. is hereby **AFFIRMED** as it related to the two privacy breaches allegedly occurring more than two years prior to the filing of the instant action, TRW Inc. v. Andrews, 120 S.Ct. 441 (2001), but is otherwise **REVERSED** consistent with this court's order and amended opinion dated October 4, 2000. The case is **REMANDED** for trial.
